

My Laughable Life with Garfield: The Jon Arbuckle Chronicles

The Geek Shall Inherit the Earth Accordions rule, and so finally does Jon Arbuckle! Its revenge of the nerds when Jon grabs Garfields traditional lead role and takes center stage with a delightfully dorky new book of his own. Through classic comics, blog entries, and a wealth of other wacky new material, experience Jons dating disasters, phone call faux pas, wardrobe malfunctions, and mirthful mishaps and cheer the geek with a heart of gold as he finally finds true love with Liz, the veterinarian. (Whod have thunk it?) So, rejoice, Jon fans, and enjoy the fun. The moment of goof has arrived!
