

## My Trip My Adventure: The Porch Paradise Island of Dewata Bali

The island of Bali which is referred to this island is famous island until the end of the world. Bali is very famous for its natural beauty they possess. Bali Island which is part of the Lesser Sunda Islands capital , Denpasar , and is geographically located at 8 S and 115 E . This area also has a climate tropical, like other Indonesian regions . Geographically, Bali province bordering the province of East Java and Bali Strait to the west , north Bali Sea , the Indian Ocean on the south, and the Straits of Lombok in the east . Tourist spots frequented the city itself as well as the art center of Ubud is located in Gianyar regency which is a plateau in the island. While Kuta , Sanur , Seminyak , and Nusa Dua are some places where a tourist destination , both tourist and beach just a place for travelers to rest . Tribes that are on the island of Bali is divided into two parts of Bali Aga who was a native of Bali , most of them living in the temple . Then Mojopahit Balinese people are Hindu Balinese , or Bali is a descendant of the Majapahit empire . Balinese culture can be said to be typical or naturally because society holds a very strong culture of their ancestors , and not influenced by other cultures .
