

MYSTERY SUSPENSE: The Mancini Saga Box Set of 3 Books (The Mancini Saga Mystery Suspense, Thriller, Romance, Psychological)

Book #1 Carlo Twenty-seven-year-old detective Carlo Mancini is your average do-good kind-of-guy with an insatiable appetite for justice. However, Carlo has one personal setback: his inability to let a senseless crime become a cold case. His obsession to uphold the law has led him on a ten-year, dead-end search for the infamous IOU thief. Twenty-six-year-old Mia Baker lives a normal life: a quaint apartment overlooking Central Park, cherished friends, and Pirate, her one-eyed cat. To most people, Mias life seems perfect; but to Mia, that couldnt be further from the truth especially when her disturbing past comes back to haunt her. When Detective Mancini bangs on Mias front door, he has no idea he will soon unravel some disturbing truths about himself, and the woman in front of him. One chance encounter can destroy the very fabric of their woven lives when Carlo realizes reality is not always black and white ... Especially when secrets are involved.

Book #2 Antonio When famous actor Antonio Mancini meets famous paparazzi Candace Moore, he doesnt expect to fall in love with the beautiful, passionate photographer of the rich and famous. Candace is thrilled when Antonio embraces her and the demons in her closet. On the night that Antonio proposes to Candace, their car is involved in a massive car accident. When Antonio wakes in the hospital the following morning, the investigator tells him that he was alone in the car at the time of the accident. Against medical advice, Antonio flees the hospital and starts to search for the woman who accepted his proposal. One clue after another brings him closer to discovering the truth and proving his sanity.

Book 3 Christmas with the Mancinis Isabelle Mancini, the matriarch of the family, really misses her children. Except for Bella, who is now a senior in high school, her sons are spread out all

over the U.S. and overseas. She decides to do something a little different this Christmas and rents a gorgeous cabin in the mountains to get everyone together. But its not just their company shes craving. Isabelle has an announcement to make, one that will shock her family. When a blizzard strands a dinner guest on the side of the road, four of the Mancini brothers leave the cabin to brave the elements, find this guest, and bring him and themselves safely back to the cabin. A slippery drive down the mountain, in search of the missing guest, brings unexpected suspense from both the wilderness and bad guys as a man-versus-nature challenge juxtaposes with a man-against-man danger that threatens their very survival. The Mancini family invites you to a very special--and very exciting--Christmas Eve adventure. Dont miss it!
