

Naamahs Curse

Far from the land of her birth, Moirin sets out across Tatar territory to find Bao, the proud and virile Chin fighter who holds the missing half of her diadh-anam, the divine soul-spark of her mothers people. After a long ordeal, she not only succeeds but surrenders to a passion the likes of which shes never known. But the lovers happiness is short-lived, for Bao is entangled in a complication that soon leads to their betrayal.
