

Once Upon a Valentine (The Hunt for Cinderella Book 11)

In The Hunt for Cinderella series finale by USA TODAY bestselling author Allison Leigh, a surprise pregnancy takes things to the next level. Shea Weatherby doesn't believe in fairy-tale endings, especially after watching her mother have so many of them with so many different husbands! So when Shea's Prince Charming comes along, she's skeptical. When she gets pregnant after a one-night stand with said Prince Charming, she panics. Paxton Merrick made millions crafting custom yachts for Seattle's uberwealthy. But now, with Shea, his very own ship has come in. If his futile efforts to get her to be his Valentine are any indication, there are stormy seas ahead. But he'll do anything to get Shea to the altar when he finds out he's going to be a father!
