

## Oliver Twist (Spanish Edition)

Oliver Twist, de Dickens, es una de las obras que mas brillantemente revelan el genio de un novelista excepcional. Una dificil y amarga infancia, marcada por la pobreza y la prision de su padre, y aliviada solo por la lectura, marco para siempre la vida de Charles Dickens, quien encontro en ella inspiracion literaria. Sus novelas aunan realismo, humor y un amplio conocimiento de los marginados, cuya situacion denuncio continuamente. La historia del pequeno Oliver, criado en un hospicio, empleado y maltratado en una funeraria, que al escapar rumbo a Londres es reclutado por una banda de ladrones que el no reconoce como tales, no solo es un soberbio escaparate de celeberrimas creaciones dickensianas (Fagin, el jefe de la banda de delincuentes juveniles, el ladronzuelo Jack Dawkins, el asesino Sikes, la prostituta Nancy, el misterioso Monks, implacable perseguidor de Oliver), sino un magnifico y trepidante relato sobre la inocencia acosada. Los distintos protectores que el heroe va encontrando en su camino nos descubren al Dickens idilico y sentimental y gracias a ellos una trama de secretos tan dramaticos como finalmente felices.
