

Only For You (Gay For You Romance) (Geek and the Jock Book 1)

When genius college student David and jock ex-rugby player Matt are put together as college roommates, they're both in for an education that will change their lives. David's sheltered upbringing has left him socially awkward, a 80s fashion sense and a stick-thin physique. Matt decides to look out for the daydreaming student and teaches about some of the things he has missed out on. They quickly become best friends. However, David's feelings for Matt grow deeper than just friendship. After an awkward encounter with a girl Matt sets him up with, David knows he only wants one thing. But will David convince Matt to succumb to their desires? Or will it all end in disaster?
