

Open Hearts in Bethlehem: A Christmas Musical Drama (Set)

Renown biblical scholar Kenneth Bailey presents this exciting Christmas drama that pastors, Christian educators, and lay volunteers in local congregations can perform. The high-quality script is informed by his expertise as a New Testament scholar with long experience of living in the Middle East. The drama is enhanced by six original musical pieces by professional musicians Lois Hopkins and David Bailey. The product package includes 13 scripts (one for each part) with program notes, an 1800-word essay that provides the exegetical background for the drama, printed music for one hymn and five folk songs, and an audio CD.
