

St. George and St. Michael

George MacDonald was a pioneering figure in the field of fantasy literature and the mentor of fellow writer Lewis Carroll. His writings have been cited as a major literary influence by many notable authors including W. H. Auden, C. S. Lewis, J. R. R. Tolkien, Walter de la Mare, E. Nesbit and Madeleine L'Engle. Gray-eyed Dorothy Vaughan, and her dear, childhood friend Richard Heywood ... they are beyond the simple joys of making play houses and caring for wild animals. She is 17, he, 19 ... and new stirrings make themselves felt they can barely express. Yet it is a time of changes -- when England, Ireland and Scotland are being torn asunder by a confrontation between church and state. The Lord of Strafford has been beheaded; with raised voices Milton and the Puritans cry for freedom ... and the two young lovers find themselves pulled away from one another -- while the very stones of Raglan Castle tremble!
