

## Paradise Lost and Paradise Regained In Plain and Simple English (A Modern Translation and the Original Version)

John Milton put a twist on the story of Adam and Eve--in the process he created what some have called one of the greatest literary works in the English Language. It has inspired music, art, film, and even video games. But its hundreds of years old and reading it today sometimes is a little tough. BookCaps is here to help! BookCaps puts a fresh spin on Milton's classic by using language modern readers won't struggle to make sense of. This edition includes Paradise Lost and Paradise Regained. The original English text is also presented in the book, along with a comparable version of both texts. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
