

The Devils Fire: A Pirate Adventure Novel

From debut author Matt Tomerlin comes a brutal tale of revenge set during the Golden Age of Piracy. Katherine Lindsay, the pampered young wife of a wealthy ship captain, has left her leisurely life in London to accompany her husband to America. So far their journey has been uneventful, even boring. But when ruthless pirates suddenly storm the ship to plunder her husband's riches, Katherine is one of the treasures they steal, sparking a bloody chain of events that will alter the course of piracy in the Caribbean forever. Whisked aboard a fearsome brigantine named Harbinger, she must contend with an ambitious pirate captain who wants her for his own, a sadistic quartermaster who firmly believes that women bring bad luck upon a ship, and a crew full of lustful miscreants. With no means of escape on the horizon, she quickly befriends a dashing young deckhand and a cowardly surgeon. As Katherine grows accustomed to life among pirates, she finds it increasingly difficult to resist her attraction to their wayward lifestyle and the thrill of high-seas adventure. But the memory of her dead husband weighs heavily on her conscience, and her rising guilt may prove to be the ultimate undoing of her kidnappers. Pirate lovers will find no shortage of treachery, cutlass duels, ship battles, buried treasure and much, much more.
