[...]stories, and the quick wit of the hare and the knavery of the jackal are held up to the admiration of the listeners.[3] Such are the chief features of Bantu life, and so lived the natives of South Africa up to the early years of last century. But about that time a certain Dingiswayo, being in exile at Cape Town, saw a company of British soldiers at drill, and, being an intelligent man, acquired a new idea of the art of war. When he returned to his home and the chieftainship of the little Zulu tribe, the memory of the soldiers in shakos, who moved as one man,[...].
