

## Running Warsaw (Running the EU Book 27)

Running Warsaw is a runners or walkers brief guide with two proposals of where to run in the capital of Poland. It is for natives, residents, visitors and tourists alike. There is a 4-5 km run - shorty - and a 8-10 km run - longy - for the capital. Running Warsaw furthermore includes a personal introduction to the city by the author and presents the etymology of its name. The shorty and longy routes are indicated on an easy-to-read and easy-to-memorise map. With this mini-guide, running, walking or experiencing Warsaw is a piece of cake!
