

## Full Circle (Prophecy of Axain Book 4)

War! After the fall of Iron Fist Keep, warriors and war mages came out of hiding to join Galin's cause. Even with their additional numbers, he does not have enough soldiers to retake the Kingdom of Axain. As the prophecy predicted, Galin, Jena, Ellis, and Mae all headed north to solicit help from the Dwarf and Gnome Kings. Will they attack Staerdale Castle in time before the Darkstrider reinforcements arrive from Setan? After nearly two decades of being King, Kade of Ravenward, also known as Kade the Usurper, is a mere shadow of his former self. He wasn't really King, everything he wanted to do had to be cleared through his Darkstrider Advisor, Tanyl. He relived the night he murdered his brother's family in his nightmares. Kade took comfort that he never faced his nephew, Galin V of Ravenward. He wouldn't kill Galin like he did his father. What would he do if he had no choice? What was more important, the throne or his family? Full Circle is the final chapter in the Prophecy of Axain series.
