

Pure Sins

Men have always used her for their own sexual gain, so Pure uses them for her own financial gain. That's the mind set of Pure Adams who learned at an early age how to use what she's got to get what she wants. As Pure continues to play her hand at the street life committing almost every sin imaginable to man from fornication, theft and even murder, but one ultimate act could be a devastating end to her games. Will Pure be able to withstand the tricks and trades of the street life or will her past sins finally catch up to her.
