

## Pursued! (Last Plane out of Paris, Part 3)

Blending fact and fiction, this tale of adventure is set in 1940 and follows two men as they parachute into occupied France to rescue an aircraft designer, a man whose designs could decide the fate of the war. Split into 6 parts, this account of one of the darkest times of World War 2 is a rip roaring tale that will have readers eagerly turning the pages right through to the thrilling end. In Part 3, Bill and Co. are making their way to a rendezvous when men try to force them off the road. They flee into the mountains only to realize that their brakes dont work. Suddenly, on one deadly corner, the vehicle flies off the road and plummets into the nearby ravine! Who will survive? Who gets kidnapped? And what is the meaning of the strange lights that flash on the nearby hillside?
