

Saskatchewan Recreation Map (Recreation Maps)

This Saskatchewan Recreation map is easy to read and produced by Canada's leading map publisher, Map Art. Map Art's style of cartography, dedication to their craft since 1974, and local expertise, makes them Canada's leading map publisher. What makes this map so great is its comprehensive information regarding skiing, camping, hiking and golf. Designed for the outdoor enthusiast heading to the great white north! This attractive and information-rich map covers the entire province of Saskatchewan in splendid detail. Useful information such as elevation, major transportation routes, and national parks is clearly displayed. Of particular use to travelers is the tremendous attention paid to road designation and the extensive labeling of physical features such as mountain ranges, valleys and peaks. Completing this map are inset maps of the major metropolitan areas and its fully indexed.
