

Yemen Voyager: Journey Into Yemen and Beyond

My Invitation to Yemen Voyager; I invite all Muslims and non-Muslims to discover Yemen through the eyes of a Muslim traveler. Yemen Voyager--Journey into Yemen and Beyond, is my Autobiography that tells a story of a Muslim man exploring Yemeni culture, its people, and Arab Bedoes of Sanaa and Hadramout. Yemen Voyager discusses Yemeni weddings and polygamy in a Bedo society. Also, it describes the lives of foreigners I encountered while living abroad. Some were in the pursuit of Islamic knowledge, and others were seeking a story for a book. Sometimes just odd or interesting Muslims landed in Yemen as part of a journey in their lives. Most importantly, I tell how I became a Muslim, and learning about Tawheed (Oneness of Allah) in Yemen. As a journalist for Yemen Observer and Yemen Times I wrote about Womens and Childrens rights, sports, Yemeni culture, and third world health problems. My journey through manhood in a Bedo Arab culture, my pursuit of romantic happiness, and trials and tribulations of sin entertain readers too. Also, my year long educational experience in Egypt focuses on my learning Arabic language, love of photography, and finding my inner writer. Yemen Voyager touches on my travels to historical landmarks in Jordan too. In conclusion, my quest to Yemen, Saudi Arabia, and Egypt were my defining experiences in my life as a Muslim Man growing up in the Middle East.
