

The Works of Tobias Smollett: V. 4

Scarborough, where I have been these eight days. From Harrogate we came hither by the way of York, where we staid only one day, to visit the Castle, the Minster, and the Assembly-room. The first, which was heretofore a fortress, is now converted into a prison, and is the best, in all respects, I ever saw at home or abroad. It stands in a high situation, extremely well ventilated, and has a spacious area within the walls, for the health and convenience of all the prisoners, except those whom it is necessary to secure in close confinement. Even these last have all the comforts that the nature of their situation can admit of. Here the assizes are held, in a range of buildings erected for that purpose. As for the Minster, I know not how to distinguish it, except by its great size, and the height of its spire, from those other ancient churches in different parts of the kingdom, which used to be called monuments of Gothic architecture; but it is now agreed, that VOL.
