

Revelations: The Book of Matthew (The Phoenix Series 3)

Revelations: The Book of Matthew is the 3rd and final book in the Phoenix series by Kelly Harris. In this book the communities struggle continues as revenge is taken against a group of religious fanatics. New Government representatives seek settlers for areas supposedly untouched by the war, and the town finally gets to see the devastation from drone footage of the nation. For the family, illness hits the Harris house and major changes come just when things seem as though they are settling down. Friends from the past show up just in the nick of time for some, but are they the same people they used to be? A shocking twist keeps this story exciting, just as the reader has come to expect. Sometimes there is not a happy ending to be told.
