

Ring in the Holidays (Hunk for the Holidays Series Book 2)

THE BEST NEW YEARS EVE ... EVERPsychologist Ellie Simpson is about to get a healthy dose of sex therapy. Leaving her cheating boyfriend behind, she has everything she needs for a quick rebound: Vegas, plenty of champagne, and a proposition from the sexiest man shes ever seen. As her handsome stranger helps her ring in the New Year-over and over again-Ellie finds herself blissfully losing all of her inhibitions. Attorney Matthew McPherson is good at making women lose things, like their minds and underwear. With his athletic build and soulful eyes, he doesnt need to use his powers of persuasion or famous last name to get a woman into bed. But when morning comes, Matthew finds Ellie is the only woman he cant bear to leave-ever. Its enough to make him wonder if what happens in Vegas really has to stay there.
