

## Robinson Crusoe (Centaur Classics) [The 100 greatest novels of all time - #37]

Among the few English novels which we can call indisputably great. Virginia Woolf Crusoe himself is a representative of humanity in general; neither his intellectual nor his moral qualities set him above the middle degree of mankind; his only prominent characteristic is the spirit of enterprise of wandering, which is, nevertheless, a very common disposition. You will observe that all that is wonderful in this tale is the result of external circumstances of things which fortune brings to Crusoes hand. Samuel Taylor Coleridge The whole Anglo-Saxon spirit is in Crusoe: the manly independence; the unconscious cruelty; the persistence; the slow yet efficient intelligence; the sexual apathy; the practical, well-balanced religiousness; the calculating taciturnity. James Joyce Robinson Crusoe is the one book that teaches all that books can teach. Jean-Jacques Rousseau Fleeing from pirates, Robinson Crusoe is swept ashore in a storm possessing only a knife, a box of tobacco, a pipe-and the will to survive. His is the saga of a man alone: a man who overcomes self-pity and despair to reconstruct his life; who painstakingly teaches himself how to fashion a pot, bake bread, build a canoe; and who, after twenty-four agonizing years of solitude, discovers a human footprint in the sand... Consistently popular since its first publication in 1719, Daniel Defoes story of human endurance in an exotic, faraway land exerts a timeless appeal. The first important English novel, Robinson Crusoe has taken its rightful place among the great myths of Western civilization.
