

## Green Team (Rogue Warrior)

Richard Marcinkos revelations in his explosive #1 bestselling autobiography, *Rogue Warrior*, reverberated through the highest levels of the U.S. government. But, bound by government restrictions, he was forbidden to tell the whole story. The answer was fiction. First came *Rogue Warrior: Red Cell*, the take-no-prisoners bestseller with Marcinko as hero. Now the *Rogue Warriors* back and hes hotter than ever, in a knockout novel of courage and nonstop action. In Portsmouth, England, an aircraft carrier has been sabotaged, killing the American Chief of Naval Operations, one of the few friends the *Rogue Warrior* had left in the Navy. Marcinko discovers a holy war is brewing -- a violent religious movement, encircling the globe and zeroing in on the West. Defeating that menace will be the supreme test of Marcinkos GREEN TEAM, a top-secret unit operating outside the U.S. militarys chain of command. But in Washington, the political wolves select Dick Marcinko as their sacrificial lamb. For the *Rogue Warrior* its time to declare a holy war of his own. The enemy may have the ultimate weapon, but GREEN TEAM has Marcinkos Tenth Commandment of SpecWar: *There Are No Rules -- Thou Shalt Win at All Cost!*
