

Romeo and Juliet

Love at first sight, departing from family for your love, and until death do us part all can be followed through the play that the world loves. The ultimate in romantic tragedies Romeo and Juliet is one of the two most preformed plays written by William Shakespeare. Reading the story brings all the rich details of the story to life when they might be missed while seeing a stage play and knowing the whole story before seeing the play enriches the experience immensely. The drama of defying family, following the hearts call and designs of well meaning friends all come together in ways both comedic and tragic. Violent actions and passionate feelings drive the story of Romeo and Juliet from the opening brawl to the moment Juliet drives Romeos dagger into her heart. The eternal strivings of the young against what is wrong in their world and the idealistic actions taken to change them are played out in Shakespeares version of a story that had already been told for over a hundred years. The themes of love, hate, fate, chance and haste make William Shakespeares Romeo and Juliet a timeless story that appeals to young and old romantics alike. Immediately popular when written it still is equally popular today. Experience the work that has inspired operas, ballets, films and music since then. Lovingly recreated as an mp3 audio this CD contains the timeless story of Romeo and Juliet. Now you can enjoy it again and again Ideal for children, teachers, students, the whole family and even the young at heart. - MP3 compatible player (or a computer) required to play this CD Version: Unabridged Language: English Reader: Solo Female Format: MP3 CD Tracks / Chapters: 5 Acts Total running time: 13:02:02
