

Ruskie: Beers, Bears & Babushkas

Ruskie: Beers, Bears & Babushkas captures a slice of Russian life; people - and businesses - as they really are. Do they all drink vodka like there's no tomorrow? Do all the women prove their love by cutting off their fingers? Do Moscow businessmen have their rivals shot? Not all of them, but Matthew managed to find those who do - with terrifying consequences. Faster than a Russian woman in pursuit of a designer handbag, scarier than an angry babushka, and hotter than, well, watching a famous Russian tennis player in her underwear ... Entrepreneur Matthew Francis arrives in Russia with the intent of setting up a Western Style consultancy in order to help Russian companies expand successfully into Europe. Follow Matthews ups and downs in this tale of the real Russia - the Russia you never read about in the press!
