

## Satanic Summer

Doug Backus is a normal young man trying to lead a clean Christian life but when mysterious and gruesome deaths begin occurring in his town of Clover, Kentucky, he learns that his life can never be as wholesome as he wants. Along with his heathen friend Crank and pariah neighbor Whitney, he becomes involved in an exploration of the town's secrets that will either lead them to their doom or answer all the questions Doug has about almost everything. Only one thing becomes certain: Salvation is not an option. From Andersen Prunty, author of *Fuckness* and *Hi Im a Social Disease*, comes a sleazy horror comedy about friendship, religion, and satanic orgies.
