

## To The Moon And Back

No. 1 bestselling author Jill Mansell writes with sensitivity and optimism about love, loss and new beginnings in TO THE MOON AND BACK. Not to be missed by readers of Jojo Moyes and Veronica Henry. When Ellie Kendall tragically loses her husband she feels her life is over. But eventually shes ready for a new start - at work, that is. She doesnt need a new man when she has a certain secret visitor to keep her company... Moving to North London, Ellie meets neighbour Roo who has a secret of her own. Can the girls sort out their lives? Guilt is a powerful emotion, but a lot can happen in a year in Primrose Hill...
