

## The Gryphon: In Which the Extraordinary Correspondence of Griffin & Sabine Is Rediscovered (Morning Star trilogy)

Griffin & Sabine, Sabines Notebook, and The Golden Mean have sold over 3 million copies worldwide, and spent over 100 weeks on The New York Times best-seller list. At long last, Nick Bantock brings us a new volume in the Griffin and Sabine story. The Gryphon is a tale rich in the artistry, mystery, and surprise that make the original saga so beloved. Although readers will be drawn into the book without ever having read the trilogy, The Gryphon begins to answer the question that fans have been waiting eight years to answer: What happened to Griffin and Sabine? As their remarkable fates are gradually revealed, we are introduced to Matthew and Isabella, long-distance lovers who find themselves entwined not only in each others lives, but also in a perilous and alluring intrigue. The drama literally unfolds from postcard to richly decorated postcard and as provocative letters are pulled from real envelopes. The Gryphon features stunning new imagery, offering glimpses of mythic dreamscapes and surreal creatures as only Nick Bantock could have imagined. For those meeting Griffin and Sabine for the first time, heres an introduction that will have them yearning to explore the earlier volumes. And for those who have already entered the enchanting world of Griffin and Sabine, The Gryphon is a delightful rediscovery of a truly extraordinary correspondence
