

Grassroutes San Francisco: Urban Eco Travel (Large Print 16pt)

Grass Routes San Francisco offers a wealth of ways for small-footprint visitors to deepen their experience of one of Americas most exciting cities. Written by locals immersed in the eco/indie/alt scene, the book covers everything from carpooling and volunteering, to potluck dinners and fair trade cafes, to attending community events and buying CDs from local musicians. Categories include Up Early, Hang Out, Pamper, Listen, Get Inspired, Farm to Table, and many more. Black-and-white illustrations show the city in all its splendor, while clear maps help visitors get around easily on foot, bike, and public transportation.
