

Never A Dry Moment (Baby Blues Scrapbook, Book 17)

Family-friendly comic strips would seem to be nonexistent these days. But there is one—the delightful Baby Blues—that kids can read and enjoy with their parents. --Virginia Parent NewsIt's been a while since there has been a baby in Baby Blues, but here they go again. Darryl and Wanda, already the parents of two, are adding a third little one to the MacPherson household, and they somehow continue to stay good-humored about life amid the chaos of a household on the grow. Never a Dry Moment is the latest collection of the phenomenally popular comic strip. In this latest collection, Zoe and Hammie watch in amazement as their mommys pregnancy takes shape—literally. Zoe wonders if her moms oversized belly truly is all baby or if its also housing a whole box of pudding pops that seems to be missing. Thats a different bulge, says Wanda. Check behind me. And Hammie and Zoe still want Wanda to play baseball with them, even if it is just to be the backstop. Never a Dry Moment showcases Jerry Scott and Rick Kirkmans uncanny ability to humorously tap the everyday joys and trials of parenting young children.
