

Shoulda Known Better: An Urban Short

Do you like short urban fiction? Then this urban short story should satisfy your craving. Jamaica McGee meets the man of her dreams during her freshman college orientation. That man is Derrick Lewis, a handsome man who seems to have it all together. Then things quickly spiral out of control when Jamaica decides that she wants Derrick to be her first. No sooner than she gives Derrick her special gift, Jamaica finds out that she may not be the only girl in Derrick's life after all, when she sees missed calls and texts from Lacie. Not only that, but Derrick may be hiding more than just another woman from her. As the lies and secrets start to unfold, Jamaica finds herself at a crossroads between the man she loves and saving her own life.
