

Sleepwalking into Darkness: (The James Women Trilogy Book 2)

Amazon Bestseller in Sagas and Family Saga Sometimes to change the future, you have to unearth the past...Nineteen years have passed since Cindy James endured therapy and reconciled the demons of her childhood, but a new secret threatens to plunge her deeper into the twisted world of the James women. Desperate for answers, Cindy travels across the country with her husband, Tony, and her daughter, Lexi, and uncovers the real story of her mother and grandmother, a legacy 100 years in the making. When an unexpected stranger becomes hell-bent on putting a stop to her discoveries, Cindy must choose either to pursue the truth—even if it destroys her and her family—or to end her search in order to save the ones she loves. Sleepwalking into Darkness, the sequel to Therapy for Ghosts, explores the darker side of family secrets and how those secrets can either shape or shatter the lives of those closest to us.
