

Slumming in Paris Part 8, With the Children - Ben Franklin, a Manifestation, and Love

26,081 story words. Approx 104 story pages. 21 Original Paris photo images. Ben Franklin, a Manifestation, and Love*Antone and Cherise, Simone and Tabitha, Buzz and Zilker. The six cousins. Part Eight, the final episode in my Slumming in Paris novella series, has the six cousins play and tumble their way into their final few days in Paris. Having finally moved to a new larger hotel, they find themselves drawn back to the Latin Quarter and Saint Germain neighborhoods near their older smaller apartments. Their extended stay in Paris between the holidays nearing the end, they find themselves discovering there's always more in the City of Lights. From discovering evidence of Americas and Frances earliest connection in freedom, to marching in a French manifestation (protest), and discovering Paris from the upper deck of a chartered night tour bus, this is an adventure that brings much together, both individually, and for this close knit family's sense of togetherness.
