

# Snatch

Snatch is the inside story of the making of the smash-hit movie starring Brad Pitt. Dan Smith's photographs reveal a fascinating mix of male bravado and humour on set. A set where extras playing gangsters told stories that rang a little too true to real life events. And where gambling took place over intense games of chess. Featuring surprising, funny and memorable images from the production, it contains commentary from the cast and crew, lines from the movie and immortalises the characters and atmosphere of one of the biggest films of the year.
