

The Camilla Randall Mysteries Box Set

Snarky, delicious fun! The Camilla Randall mysteries are a laugh-out-loud mashup of romantic comedy, crime fiction, and satire: Dorothy Parker meets Dorothy L. Sayers. Perennially down-and-out socialite Camilla Randall is a magnet for murder, mayhem and Mr. Wrong, but she always solves the mystery in her quirky, but oh-so-polite way. Usually with more than a little help from her gay best friend, Plantagenet Smith. *Ghostwriters In The Sky*: When a young writer is found dead in her gay best friends bed at a writers conference in California wine country, Camilla must enlist the help of a cross-dressing dominatrix to clear Plants name. Unfortunately, she suspects the hot LA cop who has stolen her heart may be the murderer. In *Sherwood Ltd.* a homeless Camilla lands in Robin Hood country, where some not-so-merry men may be trying to kill her, and of course Camilla once again ends up in the most improbable, but always believable, circumstances. *The Best Revenge* is a prequel to the series, and takes us back to Camilla Randalls teen years, when she first meets Plantagenet Smith and is accused of murder herself! These stories are so carefully crafted and so cleverly presented that virtually every page offers a unique insight, experience, or perspective, that grabs my attention, tickles my imagination, and makes me laugh out loud. A trio of light but intelligent reads. What a pleasure to spend a few days with bits of suspense, as well as some slightly ditzy but loveable characters, all tossed about together in a comical hurricane. Serious and absorbing plots. Lighthearted at the same time.
