

Sonoran Nights (Contemporary New Adult Romance)

She was the half-breed daughter of the town drunk who never knew her mother, but that didn't stop Wind Whitebear from riding her motorcycle and fantasizing about high school quarterback Tyler McCormick. He was the richest kid in town and totally out of her league. Her father's unexpected death forces Wind to return to Gunstone, Arizona, where she finds herself embroiled in a mystery. As she unravels secrets, a chance encounter with Tyler opens the door to a connection that might have begun before, yet was never realized until now. As their attraction heats up, a threat materializes that no one suspected, and the truth is revealed with shocking consequences. But first, Wind must conquer her fear and trust the only man who has the power to break her heart.
