

Secret Portland, Oregon: The Unique Guidebook to Portlands Hidden Sites, Sounds and Tastes

Portland, the secret gem of the West coast, is almost too good to be true. Imagine a city where a bookstore occupies an entire city block. A city where brewing beer has been elevated to an art form; a city containing both the worlds smallest dedicated park and largest forested city wilderness. No sales tax, old - fashioned gas stations, the only volcano within city limits, and a world - renowned transit system. You would have to be imagining Portland, and you wouldnt be dreaming. Secret Portland is the only guide that takes the time to explore the citys scores of lesser - known treasures - the secrets that make it a place worth dreaming about. Leading you to the spots that only locals know, Secret Portland is readable, quirky and intimate, exposing little - known histories and legends, the best ethnic eateries, chicest cheap hotels, and locally favored nightspots. Dont miss the opportunity to watch the weather machine in Pioneer Courthouse Square, choose a favorite blossom at the International Rose Test Garden, ride the only three - door elevator west of the Mississippi, or embark on an epic pub - crawl to the citys celebrated microbreweries. Let Secret Portland show you a side of the city youll never forget. Secret Portland is the latest in the acclaimed and award - winning Secret Guides series. To date, weve unlocked the secrets to New York, Chicago, San Francisco, Boston, Providence and Newport, Toronto, Ottawa, and Montr al.
