

Spirits (Sparks Saga Book 2)

Loving her was easier when I thought we were going to die. With a new home on an island that prizes human sacrifice, Lark finds that reading minds is not enough. As he battles the tragedies that haunt him, his queen insists on the continuation of the violent practice, and he is powerless against her unrivaled Spark and uncompromising authority. In order to stop her, Lark needs to learn the secrets of the spirits of the world. Only there isn't much time. War looms just over the horizon. Now including Chapter One of Schism. Genre: Epic Fantasy Length: Novel, 302 pages Series: Book Two of Three in Sparks Saga
