

# Incredible Cross-Sections of Star Wars: The Ultimate Guide to Star Wars Vehicles and Spacecraft

An exhaustively researched, definitive reference for Star Wars fans of all ages brings the world-renowned DK cross-sections illustration techniques to the Star Wars universe. The main ships are explored and cutaway to reveal the armaments, propulsion systems, armor, control systems, and other key aspects of each vehicle, from Han Solos Millennium Falcon to Darth Vaders TIE fighter. Special features and hidden mechanisms, never before revealed, are described and illustrated in graphic detail. Together with Star Wars: The Visual Dictionary, these books comprise a definitive classic Star Wars reference library. 1998 Lucasfilm Ltd. & TM
