

Sweet Song

WINNER of the 2012 IPPY AWARD, SWEET SONG is for fans of Philippa Gregory, Jim Harrison, and J.D. Salinger. **BOOK DESCRIPTION:** An archetypal American story of self-discovery, set against the turmoil of post - Civil War America, Sweet Song tells the story of the mixed race son of a white landowner and a black house servant. Leon, raised black but an outcast from both cultures, finds himself suddenly on his own -- and passing for white. Wrestling with a divided heritage in a world where honesty, even with friends, might prove fatal, he falls in with dispossessed thieves, mill workers, saloonkeepers, musicians, businessmen, thugs, freedom loving idealists and malevolent racists -- a vivid panorama from Americas past. This tender, raw, provocative novel speaks from the heart about where weve come from and who we are.
