

Talking Heads 2

Playing Sandwiches with David Haig; The Hand of God with Eileen Atkins; Nights in the Gardens of Spain with Penelope Wilton; Miss Fozzard Finds Her Feet with Patricia Routledge; Waiting for the Telegram with Thora Hird; and The Outside Dog with Julie Walters. A second collection of astutely observed monologues, tales of loneliness and eccentricity are handled with the light touch which has made Alan Bennett one of our best-loved writers, as well as a national institution.
