

Tarnished Saints Christmas: (Series Prequel) (Tarnished Saints Series)

(Series Prequel to the Tarnished Saints Series) The Taylor Twelve: Sons of a preacher but far from saints, these men are nothing but trouble! Tarnished Saints Christmas is an introduction to each of the twelve Taylor men when they were children. Told by the eldest son, Thomas, the author lets the reader into their lives one memorable Christmas. Each chapter is devoted to one of the brothers to show the trouble they caused in their earlier days which carries into their present lives as well, therefore giving them the title of Tarnished Saints. The story is approximately 15,000 words followed by excerpts from each of the Tarnished Saints books that are now available. This is a twelve book series but each book stands on its own.
