

Adventures of Paddy the Beaver

Work, work all the night
While the stars are shining bright;
Work, work all the day --I've got no time to play!
Everyone is curious!
Farmer Browns boy cannot figure it out.
Then Peter Rabbit and Jerry Muskrat set their minds to the problem and try to wrestle it to the ground. What is happening in the peaceful meadow where the stream flowed so quietly before -- and what does Paddy Beaver have to do with it?
Thornton W. Burgess, famous for his tales of the lesser folk in fur and feathers, first entertained young readers in the 1910s ... and his books have kept doing so, decade after decade, down to the present day.
