

THE ASSISTANT: No Names Please. Were Famous.

The Assistant tells the hilariously funny fictional story of American entertainment reporter Anna Saunders and her comic dalliances in Hollywood. Meeting the stars, she reveals not only snippets from their lives, but secrets about her own. She challenges you to fall in love with mediocrity, proclaiming, ... we re all tarred with the same brush; Hollywood just got the extra glazing . With decades of experience in the industry, she shares the highs and lows of interviewing everyone from Grammy winning performers to Oscar winners and all those in between. As she takes you to charity balls, parties and behind-the-scenes for some frank close-ups, she ll introduce you to the stars of your dreams. Just don t stare too long or you ll see the cracks in their high-maintenance facades. Go on; have a sneak peek into the lives of the filthy rich and famous. It might be the only chance you get!
