

## The Carpet People

In the beginning, there was nothing but endless flatness. Then came the Carpet ...That's the old story everyone knows and loves. But now the Carpet is home to many different tribes and peoples and there's a new story in the making. The story of Fray, sweeping a trail of destruction across the Carpet. The story of power-hungry mounds - and of two Munrung brothers, who set out on an amazing adventure. It's a story that will come to a terrible end - if someone doesn't do something about it. If everyone doesn't do something about it ...Co-written by Terry Pratchett, aged seventeen, and master storyteller, Terry Pratchett, aged forty-three.
