

Love Potion Number 10

A cute chick-lit story from one of your favorite holiday romance authors, Jennifer Conner. On this Valentines Day, Everett Benedet, is desperate to make her boss fall in love with her. When she spots on ad for a local fortune teller who makes love potions, shes willing to try anything to bring the blond Adonis she admires from afar into her arms. Valentines Day gifts should be what you want. But when a misunderstanding occurs, Everett finds herself at the symphony with her co-worker, Royce. Dressed in a funky purple jacket with a grey shirt and bow tie, Royce looks darn adorable. No, puppies were adorable. Royce was sexy as hell. Torn between two men in this work place romance, Everett begins to wonder if she gave the love potion to the right man.
