

The Complete Father Brown Stories (Wordsworth Classics)

Father Brown, one of the most quirkily genial and lovable characters to emerge from English detective fiction, first made his appearance in *The Innocence of Father Brown* in 1911. That first collection of stories established G.K. Chesterton's kindly cleric in the front rank of eccentric sleuths. This complete collection contains all the favourite Father Brown stories, showing a quiet wit and compassion that has endeared him to many, whilst solving his mysteries by a mixture of imagination and a sympathetic worldliness in a totally believable manner.
