

## The Goodman House Museum - Dollhouses, Childrens China and Miniature Furniture (English and German Edition)

A delightful tour through the Goodman House Museum in Cape May, which is now closed. 59 vintage dollhouses, 19 antique toy kitchens, 21 period shops and countless furnishings and accessories all assembled by the eye and hand of a passionate collector. With exceptional photography and innovative presentation, the book delights the eye and engages the mind as it guides the reader through dollhouses and miniatures of the 18th and 19th centuries.
