

Franc and Jessie James

Americas latest entry into the Wild West Hall of Fame In 1860, the Trenton Pacific Rail-road Company pursues a violent land grab. Francesca and Jessica James are orphaned as a result. Combining forces with three runaway slaves, the five children set out to hunt down the railroads chief agent, John Grimes. Wealthy student, Horace Weston, suffers expulsion from the elite, Drake College. Refusing to accept his guilt, he soon discovers the existence of an elusive, secret society, the Panta Proti, hidden deep within the establishment. Little does he realise the consequences of his discovery. Robbing the Railroad of their money at every given opportunity, Franc and Jessie James become an irritation that quickly need eradicating. As Civil War breaks out, the paths of the two girls and Horace inexorably cross and a dubious alliance is formed. Upon the discovery of an unlikely union between John Grimes and the Panta Proti, a far deeper investigation becomes necessary and a treacherous journey begins.
