

## The Modern Library In Search of Lost Time, Complete and Unabridged 6-Book Bundle: Remembrance of Things Past, Volumes I-VI (Proust Complete)

Now in a convenient eBook bundle, this Modern Library edition provides the most authoritative, critically acclaimed translation of Marcel Proust's masterpiece in six volumes, *In Search of Lost Time*, which includes *Swann's Way*, *Within a Budding Grove*, *The Guermantes Way*, *Sodom and Gomorrah*, *The Captive*, *The Fugitive*, and *Time Regained*. Graham Greene considered Marcel Proust the greatest novelist of the twentieth century, just as Tolstoy was in the nineteenth. Edmund Wilson proposed that he was perhaps the last great historian of the loves. And Virginia Woolf celebrated Proust for his combination of the utmost sensibility with the utmost tenacity. The prolific French master dazzled many of the most cherished authors of our time, and now his signature work comes alive in this practical and completely accessible eBook bundle. For these Modern Library volumes, D. J. Enright revised the late Terence Kilmartin's acclaimed reworkings of C. K. Scott Moncrieff's and Andreas Mayors translations to match the definitive French editions published in recent decades. Expertly and lovingly crafted to rival Marcel Proust's original in elegance, precision, and emotional resonance, here is *In Search of Lost Time* as it was meant to be read.
